

# Measures against Covid-19 virus infection

In Japan Housing, we prioritize the prevention and spread of new coronavirus infections, and the health and safety of our customers and employees. Thank you for your understanding.

**Hand washing and  
Hand disinfection  
with alcohol disinfectant**

**Temperature checking  
for employees  
and customers**

**Wearing a mask.**

**Will meet in front of  
the property  
during visit.**

**Property visit  
transportation will be  
by car**

**Keep the car  
windows open  
during transportation**

## About online consultation

### Maximum property information with less visit

By having an individual meeting before the property visit, we will be able to show you a lot of properties at the same time when we meet.
